

Fine Art: Label for main work and secondary work

Pathway: Delete to leave one of 3D2	Your name: Elise Garnier de Falletans
Format of piece Wall based two-dimensional work	
Title of main work Crystallized Universe	
Materials used in main work Alum crystals/ photography.	
This work explores the fact that humanity wants to make everything everlasting. (i.e life, memories, love, beauty ...) Science has now for aim to let humans reach the century and try to defy the laws of nature: Born, Living, Dying, and Decaying. Freezing and crystallizing the universe will ensure an eternal world.
